

OSA-2433-64

18 May 1964

MEMORANDUM FOR: Chief, Materiel Division, OSA

SUBJECT : F-12 Emergency Ground Procedures Manual

1. The following observations are submitted by SS/OSA regarding the Subject:

a. [REDACTED] has agreed to revise para 2-22, page 2-18, to be less specific in discussion of the chemical ignition system.

b. SS/OSA should be represented when the team visits each base, in order to ensure that the Commander is properly briefed and the manual and its information is appropriately protected.
